

Subodh Chauhan, MD

we're moving!

Exciting things are happening at Aspire. While the doctors are sad to leave the place they've called home, we are proud to be creating beautiful new spaces for our patients. Rest assured we'll work hard to avoid any inconvenience for you during the process.

Randall C. Dunn, MD

In the meantime, here's what you need to know:

- **Drs. Chauhan, Dunn, Kovanci and Schenk will soon be seeing you at our Medical Center location on Main Street**, less than a mile from the Fannin office. We are currently upfitting the Medical Center suite, and should be ready to move in July 1st.

Ertug Kovanci, MD

- **Drs. Grunert and Mangal will still see patients at 7900 Fannin, on the campus of The Woman's Hospital**, but will soon move to a completely remodeled **Suite 2700**. We'll keep you posted as the date gets closer.
